# 'Around the Corner' block

Please read all instructions before starting. All fabric measurements have  $\frac{1}{4}$  inch seam allowance included. Unfinished block measures  $12\frac{1}{2}'' \times 12\frac{1}{2}''$ . When pressing seams, press towards darker fabric unless otherwise stated. Arrows show direction of pressing seams. Place right sides together when piecing. Remember to square off the final block so that it is an even square and to get rid of jagged edges.

### Requirements:

- 1 x cutting mat, 1 x rotary cutter, 1 x quilt ruler
- Sewing thread (I use natural coloured 100% cotton)
